

CROQUET NSW Inc.
GOLF CROQUET PENNANTS 2021

DIVISION 2 (H/C 5 to 8) & DIVISION 3 (H/C 9 and above)

******* ENTRIES CLOSE Monday March 1 2021 *******

Requirements

A team of 4 players who are all members of your club is needed for each Test. A "Test" is 2 x Singles matches and 1 Doubles match against another club. There is no limit to the number of club members a club may use as players over the duration of the competition provided that:

- (i) the player's handicap is within the handicap range for that Division at the closing date of entries (or is greater than the upper limit) **and**
- (ii) the player's handicap does not fall more than 1 step below the lower limit for that Division during the competition.

A player may not play for more than one team or more than one club in the same competition. Each Division is considered a separate competition.

Scheduling

After entries close, teams are organised into zones by the Tournament Committee. The teams in each zone then schedule Tests on mutually acceptable dates. The pattern of those Tests will be specified by the Tournament Committee according to the number of teams in the zone.

Because of the unfortunate interruptions to pennants play caused by the pandemic in 2020, a longer period has been allowed in 2021 for zones to complete all their specified tests in the Div2 and Div3 competitions. Clubs should try to schedule their tests as soon as possible after March 1; if a COVID-19 "hotspot" flares up, then hopefully sufficient time has been allowed to postpone play until the situation is under control again and all tests can still be completed before the Finals (which will be a round robin competition between all zone winners).

Dates for the Finals are :

Division 3 from Monday 13 to Wednesday 15 September 2021 (from 1 to 3 days)

Division 2 from Monday 20 to Wednesday 22 September 2021 (from 1 to 3 days)

(The number of days needed to complete each of the Finals depends on the number of zones.)
