

CROQUET NSW Inc.
GOLF CROQUET PENNANTS 2019
DIVISION 2 (H/C 5 to 8) & DIVISION 3 (H/C 9 to 20)

******* ENTRIES CLOSE Friday February 15 2019 *******

Requirements

- A team of 4 players is needed for each Test.
(NOTE: A "Test" is 2 x Singles matches and 1 Doubles match against another club)

- There is no limit to the number of club members a club may use as players over the duration of the competition provided that:
 - (i) the player's handicap is within the handicap range for that Division at the closing date of entries (or be higher than the upper limit) **and**
 - (ii) the player's handicap does not fall more than 1 step below the lower limit for that Division before or during the competition.

- Up to 2 players from another club may be co-opted to a team. If a team contains 2 co-opted players for any Test, these 2 players must play the Doubles match. A club may not co-opt players if there are other players in the club in that Division who are willing and able to play. A club may not co-opt more than 4 players in the whole competition (including finals).

- A player may not play for more than one team or more than one club in the same competition. Each Division is considered a separate competition.

Scheduling

After entries close, teams are organised into zones by the CNSW Tournament Committee.

The teams in each zone then organise Tests on mutually acceptable dates. The pattern of those Tests will be specified according to the number of teams in the zone. (See CNSW Tournament Regulation 2.2.4). All zone Tests need to be concluded by Friday 26 April so that finalists can be decided.

The Finals are scheduled to be played at Mackey Park, Tempe (Sydney) as follows:

Division 2 on Friday May 3
Division 3 on Monday May 6

Enquiries to: Lorraine Hatfield 0412 125 275 or
