3 POLICY

Croquet NSW collects and administers a range of personal information for the purposes of administering and supporting croquet within NSW. The organisation is committed to protecting the privacy of personal information it collects, holds and administers.

Croquet NSW recognises the essential right of individuals to have their information administered in ways which they would reasonably expect – protected on one hand, and made accessible to them on the other. These privacy values are reflected in and supported by our core values and philosophies and also reflected in our Privacy Policy, which is compliant with the Privacy Act 1988 (Cth).

Croquet NSW is bound by laws which impose specific obligations when it comes to handling information. The organisation has adopted the following principles contained as minimum standards in relation to handling personal information.

The Croquet NSW Secretary is responsible for the implementation of this policy, for monitoring changes in Privacy legislation, and for advising on the need to review or revise this policy as and when the need arises.
