

## Annual Presentation Event Working Group - can you help?

At the last CNSW Board meeting the Board endorsed a proposal to establish a working group to revamp the Annual CNSW Presentation event.

Attendance at the annual Presentation and Christmas lunch has declined in recent years and this year CNSW will present in time awards for event winners and runners up for all CNSW events.

Perpetual trophies remain an important historical record and link and the retention of an awards ceremony is a valued tradition. Such events provide the opportunity to bring together members to celebrate success and the community of croquet in NSW & the ACT.

It is proposed to align the event to award perpetual trophies with the CNSW AGM on Saturday 24 August 2019 and to replace the current Presidents award a new award – *The Croquet NSW Sportsperson of the Year Award*.

I am looking for people who may be interested in being involved in a small group to plan and support organisation of the event for this year.
