

NATIONAL 18-24 MAY 2020
VOLUNTEER
WEEK
CHANGING COMMUNITIES.
CHANGING LIVES.

18 May 2020

Today marks the start of National Volunteer Week 2020.

This is the week when we celebrate and acknowledge the generous contribution of the volunteers who put their hands up to donate their time to croquet. By volunteering, in whatever way you do for croquet, we develop a stronger community. Without our volunteers, where would we be?

So, I wish to say thank you one and all.

The restrictions around COVID-19 eased on Friday May 15th. Our community is becoming more active, so it is **critical** that we know how to protect ourselves and others.

- maintain a physical distance of at least 1.5 metres from each other
- practise good hand hygiene
- take extra care if you're around [vulnerable people](#)
- get tested if you have any [symptoms](#), even if they are only mild
- stay home until you get the test result, or are medically cleared.

If you are playing then hope you have fun. Please stay safe and healthy over this time and into winter.

Kind regards,

Kate and the Board of CNSW
