

## Golf Croquet Coach Certification - Level 1 (Basic) and Level 2 (Club)

A coach certification course for Level 1 and Level 2 Golf Croquet coaches will be held at Strathfield Croquet Club in mid-November.

You can check the expiry date of your current coaching qualification on the CNSW Coaching page at <https://croquet-nsw.org/showQualificationsDirectory.aspx?type=GC&access=all>

However even if you still have some time left I would recommend doing the new coaching course to take advantage of the updated information and on-line material available to all who are certified.

### Preparation

- a. There will be a limit of 10 people per course, and courses will be *held over 3 days from 17<sup>th</sup> to 19<sup>th</sup> November*. The course will take 3 to 4 hours.
- b. It is possible to do Level 1 and then Level 2 Coaching sessions consecutively but this will depend upon the number of applicants.
- c. Please download and fill out the "Application for Coach Training" form on the Coaching page of the CNSW website [HERE](#), and return it to [pamgentle@bigpond.com](mailto:pamgentle@bigpond.com).
- d. Please note that a **Working with Children Check** MUST be obtained by coaching applicants and can be accessed [HERE](#). Get your applications in early as there is often a processing delay of a couple of weeks. If you already have valid WWCC certification, send details to [pamgentle@bigpond.com](mailto:pamgentle@bigpond.com).
- e. It is a policy of Strathfield Croquet Club that any visitor to their club must be **fully vaccinated** for COVID 19.
- f. We require all applications to be received *by Monday 1st November 2021* after which you will be informed of which day/days you will need to attend, hopefully with 2 weeks notification.

### Areas other than Sydney

For prospective coaches from areas outside Sydney, coach certification courses will be organized in the near future. Please make sure you have your application form sent in so that we can schedule a course for you.
